School of Computing

**A study of the negative impact of
inappropriate network booster placement on
Wi-fi signal strength in University Hall**

Lincoln Karuhanga

Submitted in part fulfillment of the requirements for the degree of
Bachelor's of Science in Computer Science at
Makerere University, February 2018

Abstract

Text of the Abstract.

Acknowledgements

I would like to express my sincere appreciation to:

- The students of University Hall for their invaluable contribution to the data collection process and in particular the Chairman, Mr. Collins Namara for his honest and precise answers.
- My family and friends.
